**Memory Experts International Named First Canadian IT Security Company
by the Branham Group and Backbone Magazine**

Montreal, Canada & Santa Ana, CA – March 31, 2008– Memory Experts International Inc. and its division MXI Security™, the leader in providing superior managed portable security solutions, today announced that it has been selected as the number 1 ranked Branham300 Top 10 Canadian IT Security Companies and ranked 57 overall among the Branham300 Top 250 Canadian Tech Companies.

“We are honored to be recognized as the leader in the Canadian IT Security industry” said Lawrence Reusing, CEO of MXI Security. “This recognition highlights the accomplishments of MXI Security’s research and development and manufacturing the leading portable security solution available in the world today.

“MXI Security’s customers know that the privacy and security of their data and digital identities will be safe when they use our Stealth MXP and Outbacker MXP products, and that they will have help-desk and recovery options with ACCESS Enterprise software” said Reusing.
